U.S. Probation Officer Action:

On July 17, 2023, a random urinalysis was administered that tested positive for cannabinoids (marijuana). Mr. Snow admitted to recent marijuana use. He also informed this officer that his medical marijuana card through the state of New Jersey is pending. He provided verification on the state website that shows the reason for the pending status is because it is awaiting payment. Mr. Snow has been made aware of the continued federal prohibition related to the use and possession of marijuana. If Mr. Snow is approved for the medical marijuana card, that information will be forwarded to the Court for review.

Regarding Mr. Snow's noncompliance with the payment schedule for the fine and special assessment, Mr. Snow has been instructed to immediately begin making the required minimum \$25.00 monthly payments. If he fails to do so, or if an adjustment to the current payment schedule is warranted, the Court will be promptly notified. Mr. Snow's provided excuse for not making the payments previously was an increase in household expenses in addition to having to pay past due fines and tickets in Pemberton Township Municipal Court.
